In the recent wake of epidemic of Novel Corona Virus (COVID-19), Government of India has been advising to avoid all sorts of social gathering and crowding at public places through numerous notifications. Closing of schools, Colleges, Malls, Parks, Camps etc. Introduction of work from home and reduction in working hours have been implemented to best curb the rising spread of virus.

The imposition of social distancing is the best precaution towards the curbing of this pandemic. The Honorable Prime Minister in his address to nation on 19.03.2020 has also advised to refrain from non-essential visits to hospitals and to defer routine medical checkups by public till the curbing of virus spread is reduced.

As per Staff Welfare Scheme of the Bank, all staff members and their spouse in the age group of 40 years and above are eligible for annual health checkup in a financial year. In light of the spread of Novel Corona Virus (COVID-19), we request your good self to kindly extend the date for Medical Health Checkup for current financial year till 31st May, 2020 to avoid contamination of virus. Suitable guideline in the matter may be issued in the interest of all concerned staff members.
